

September, 2010

Dear Principal,

Re: *Reading and Remembrance 2010: Homeland Stories*

The free online materials in ready-to-use lesson format at [www.readingandremembrance](http://www.readingandremembrance) are resources for History, Civics, English, the Arts and Social Studies. Please make the enclosed poster available in the school library and encourage teachers to use these Canadian materials.

The fall edition of *SLiC*, an online magazine for teacher-librarians across Canada features a User's Guide that includes tips on using the materials for Women's History Month and celebration of diversity as well as for Veterans' Week and Remembrance Day.

Because the lessons are stand-alone and easy to download and reproduce, we suggest you keep a binder in the Main Office for use by supply teachers called in for emergency situations.

Thank you informing your teachers about this project. Their online registrations allow us to track the number of young people exposed to materials that promote literacy and support veterans (and their supporters). Registered schools are listed on the annual Honour Roll.

Best wishes for a successful 2010-2011 school year,

Angie Littlefield and Mary Cook, Project Managers
